Welcome to the 2022 Hockey Manitoba Under-7 (U7) Faceoff Festival! The U7 Faceoff Festival is a grassroots initiative that sees a collaborative hosting effort by Hockey Manitoba, its Regions, and Minor Hockey Associations. The objectives of this initiative are to create a fun, exciting event for players through the promotion and benefits of cross-ice hockey, skill development and age-appropriate training while supporting coaches through a sustainable U7 Coach Mentorship program throughout the branch.

U7 PARENT INFORMATION SESSIONS

A key component of this event is our in-person presentation to parents, which will highlight the Long-Term Player Development principles, the importance of cross-ice hockey, skill development and age-appropriate training. Hockey Manitoba asks that one parent per player attends the presentation, which will last approximately 20-25 minutes.

Group 1 Parent Session: 9:00-9:30

Group 2 Parent Session: 10:30-11:00
